Background

27. Extracurricular Activities *

List your extracurricular, community, and/or vocational activities. (Please include dates and locations.)

28. How did you hear about IRiKA? *

Research Interests and Preferences

29. Have you engaged in one semester or more of research? *

Check all that apply.

- Yes
- No

30. Which IRiKA research groups are you most interested in working with this summer and why? (List 3 labs in order of preference). *

Note: Your preferences will be taken into account when lab placements are made. However, many factors contribute to placement decisions and we do not guarantee that you will be placed in the lab of your choice. (List 3 labs in order of preference.) We are continually recruiting new labs to host students and therefore this list on the website changes; it may even change after the application is due. If you are accepted you may be placed in a lab that is not currently listed.

Required Additional Materials

Please be patient - file uploads may take some time depending on your internet connection and server load.

31. 2-page Personal Statement - Your personal statement should include: Why are you interested in participating in IRiKA?; What specific research area you are interested in and why?; An explanation of any relevant work or class experiences; Your career objectives. *
